What kinds of financial products are we authorised to provide?

I am authorised to provide financial product advice and deal in a financial product, to retail and wholesale clients, in relation to the following financial products:

- securities – meaning shares listed on the Australian Stock Exchange;

- interests in managed investment schemes including investor directed portfolio services – these are managed funds, master trusts and “wrap” accounts;

If you do not obtain advice, you face the risk that the Financial Product/s you select will not fully take into account your objectives, financial situation or needs.

How do I pay for Limestone Financial Planning advice?

All fees and commissions are inclusive of GST and the fees could be greater than those disclosed below in complex cases. In these instances, we will inform you of the exact fee payable promptly in writing.

Initial consultation

This is an opportunity to view our service offer and meet with our financial planner. The meeting provides you with an opportunity to make a decision as to whether you would like to initiate the financial planning process with our company. This meeting generally takes up to one hour and there is a charge of \$330. In order to facilitate a more productive meeting an initial fact find is completed prior to the meeting.

Data collection, Strategy Presentation, Advice Preparation

We will spend time with you to ensure we understand your current personal and financial position. The quality of our advice is largely governed by the quality of the information that you provide to us. This data collection can take considerable time as we seek information from external parties. Your situation may require a strategy presentation to discuss alternate strategies. Not all clients will require a strategy presentation. Should this meeting be required it will occur by mutual agreement.

If you elect to pay us a fee for advice the following fees will apply. A client engagement authority is signed prior to commencing work. The fees will depend on the size of the investment portfolio and the complexity of the advice:

The minimum fee charged is \$1,100 while the maximum fee is \$6,600.

If, in developing your financial plan, we identify that the nature and scope of the advice to be provided differs to that initially agreed upon, our initial fee may change. In this case, we will provide you with an upfront quote of the amount payable before we proceed further with finalising your financial plan.

Implementation (fee for advice)	We will charge a fee for the preparation of the Statement of Advice and this will depend upon the complexity of your situation and the advice required. The fee will range from \$1,100 to \$6,600. We will always provide you with the estimated cost to produce the Statement of Advice before beginning work.
Ongoing fee for advice	<p>If you elect to pay a fee for the ongoing review of your financial planning strategy, the ongoing fee is based on the complexity of ongoing advice and the services provided. The minimum fee is 0.55% of the value of your portfolio each year.</p> <p>For example an investment valued at \$200,000 the ongoing fee would be \$1,100 pa. An ongoing care agreement will be signed prior to commencement.</p>
Ad hoc advice	Where you don't have an ongoing service arrangement and require ongoing advice on an ad hoc basis, a fee based on time charged at \$330 per hour (including GST) may apply.
Execution only service	We may receive stamping fees from issuer companies for raising capital or debt on behalf of that company. If so, the amount will be disclosed to you at the time of making the investment.
Life Insurance products	<p>On insurance products that were in force prior to 1 January 2018 the relevant insurer will pay initial commission between 0% and 130% and ongoing commission between 0% and 33% of the annual premium for as long as you hold the product.</p> <p>On new insurance policies that came into force from 1 January 2018 the relevant insurer will pay initial commission between 0% and 88% and ongoing commission between 0% and 31.5% of the annual premium for as long as you hold the product.</p> <p>On new insurance policies that come into force from 1 January 2019 the relevant insurer will pay initial commission between 0% and 77% and ongoing commission between 0% and 31.5% of the annual premium for as long as you hold the product.</p> <p>On new insurance policies that come into force from 1 January 2020 the relevant insurer will pay initial commission between 0% and 66% and ongoing commission between 0% and 31.5% of the annual premium for as long as you hold the product.</p> <p>Commissions are paid to us by the product provider and are not an additional cost to you.</p>
Pre-existing arrangements	<p>For existing clients already in an established commission arrangement that existed prior to 1 July 2013, we may receive commission on investment products, superannuation products or margin lending products held.</p> <p>For investment products the relevant product issuer will pay initial commission between 0% and 5.5% and ongoing commission between 0% and 0.88% of the value of your investments for as long as you hold the product.</p> <p>For margin loans the relevant product issuer will pay an ongoing commission between 0% and 0.88% of the outstanding loan balance. Commissions are paid to us by the product provider and are not an additional cost to you.</p>

The basis and amount of all commissions and fees for service will be set out in the SoA and explained by your Adviser.

We will retain copies of your identity documents and we will maintain a record of your personal profile including details of your objectives, financial situation and needs. We also maintain records of any recommendations made to you, including the initial Statement of Advice, and any subsequent Statements of Additional Advice and Records of Advice provided to clients receiving our ongoing service. Copies of these can be requested either verbally or in writing.

We are committed to ensuring the privacy and security of your personal information. A copy of the relevant privacy policy is available on our licensee's website or by contacting us. If you wish to examine your file, please ask us. We will make arrangements for you to do so.
